**More than 80% of consumers do research online before making a purchase decision.**

So why invest thousands in a website if no one can find you? Make sure you are part of the purchase decision by supporting your website and being proactive in its development and marketing. Your website is a living, breathing channel, and to keep itself running and adapting to the changing online world, you need ongoing updates, marketing and advertising.

We're passionate about all things digital and are dedicated to helping you make the most of online and the opportunities available.

## **1. SEO**

Search Engine Optimisation (or SEO) is critical to ensuring your website/business is 'found' online. We can make a range of enhancements to your website, optimising content to help you rank in a Google Search – as the 'higher' your business ranks, the more visibility your website will receive.

## **2. GOOGLE ADS**

Google Ads help you achieve greater exposure to your target market and a competitive edge in online search with relevant, targeted and costeffective marketing. From display ads on popular websites, to text ads in Google Search, we create campaigns that reach your potential customers, at the exact moment they are looking for a service/ product that your business provides. Ask us about our Google Ads packages.

## 5. PERFORMANCE MARKETING

we are dedicated to help businesses achieve their marketing goals by delivering measurable results. With our performance-driven approach, we focus on generating clicks, leads, sales, and other key actions that matter to your business. Whether you're looking to increase brand awareness, drive website traffic, or boost conversions, our Performance Marketing service delivers tangible outcomes.

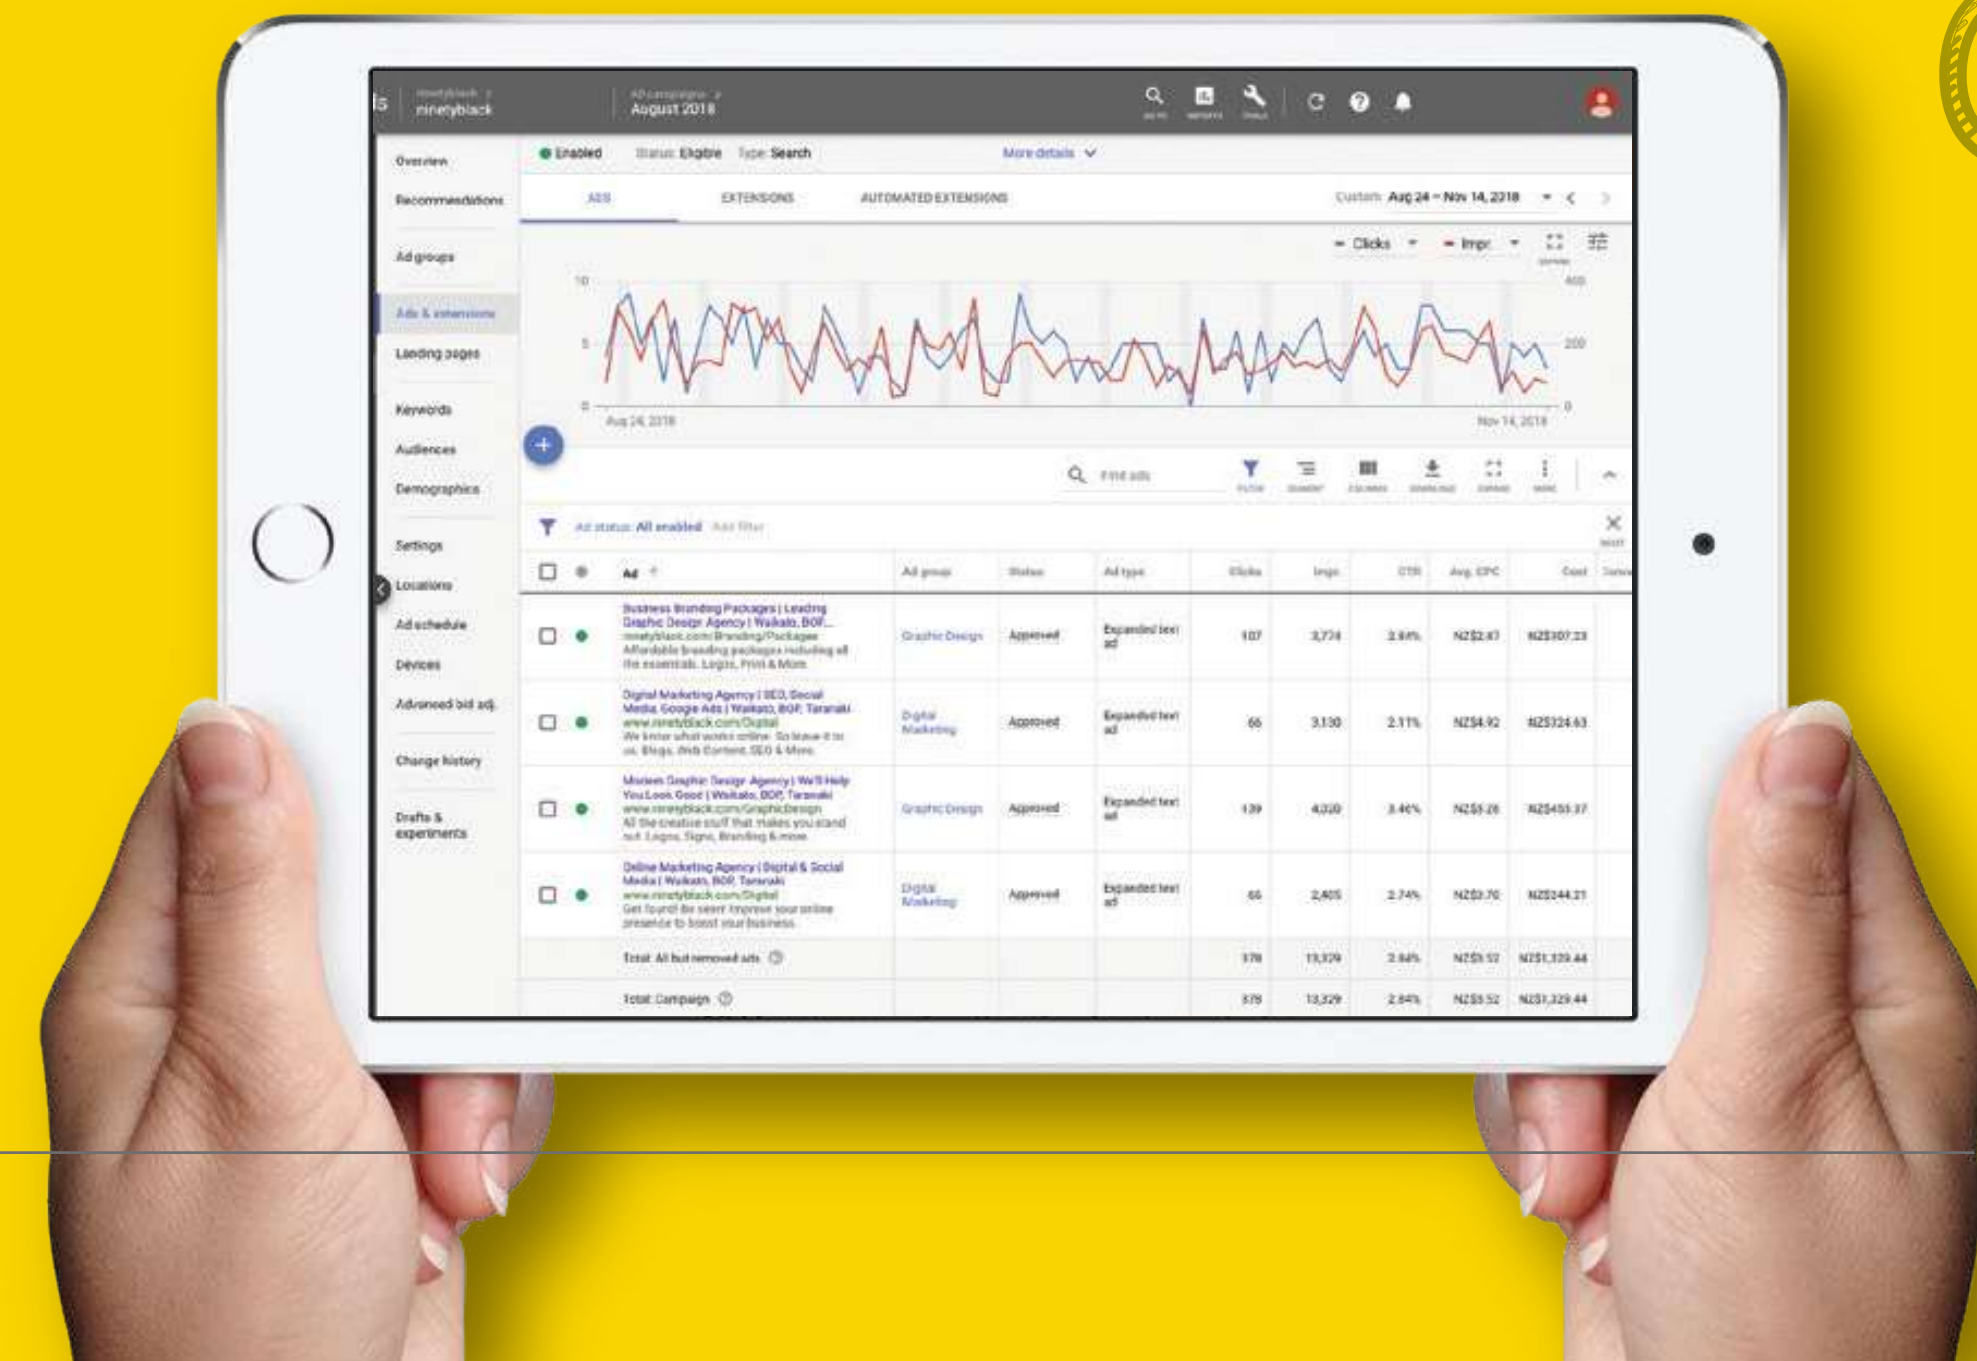

## 3. SOCIAL MEDIA

Social media, specifically Facebook & Instagram, is an extremely important tool for businesses to use. It's one of the best channels to build brand awareness, community and profile your brand personality. Our creative team can help you make your social media channels work as seamlessly as possible for you by establishing, maintaining and optimising your social media to enhance your brand and grow your customer base through curated content.

## 4. BLOGS

Regular blogging adds valuable content to your website that can help customers better understand the expertise, services and/or products offered by your business. It gives you more visibility online, positions you as an expert in your industry and is an effective way of connecting with your customers. We are experienced at writing compelling blogs for a wide range of industries and organisations.
